IN THE SHADOW OF THE CROSS

'Twas on the cross the Savior died
To rescue men from sin and pride;
The ray it cast was crimson *red*
As for this world the Savior bled.

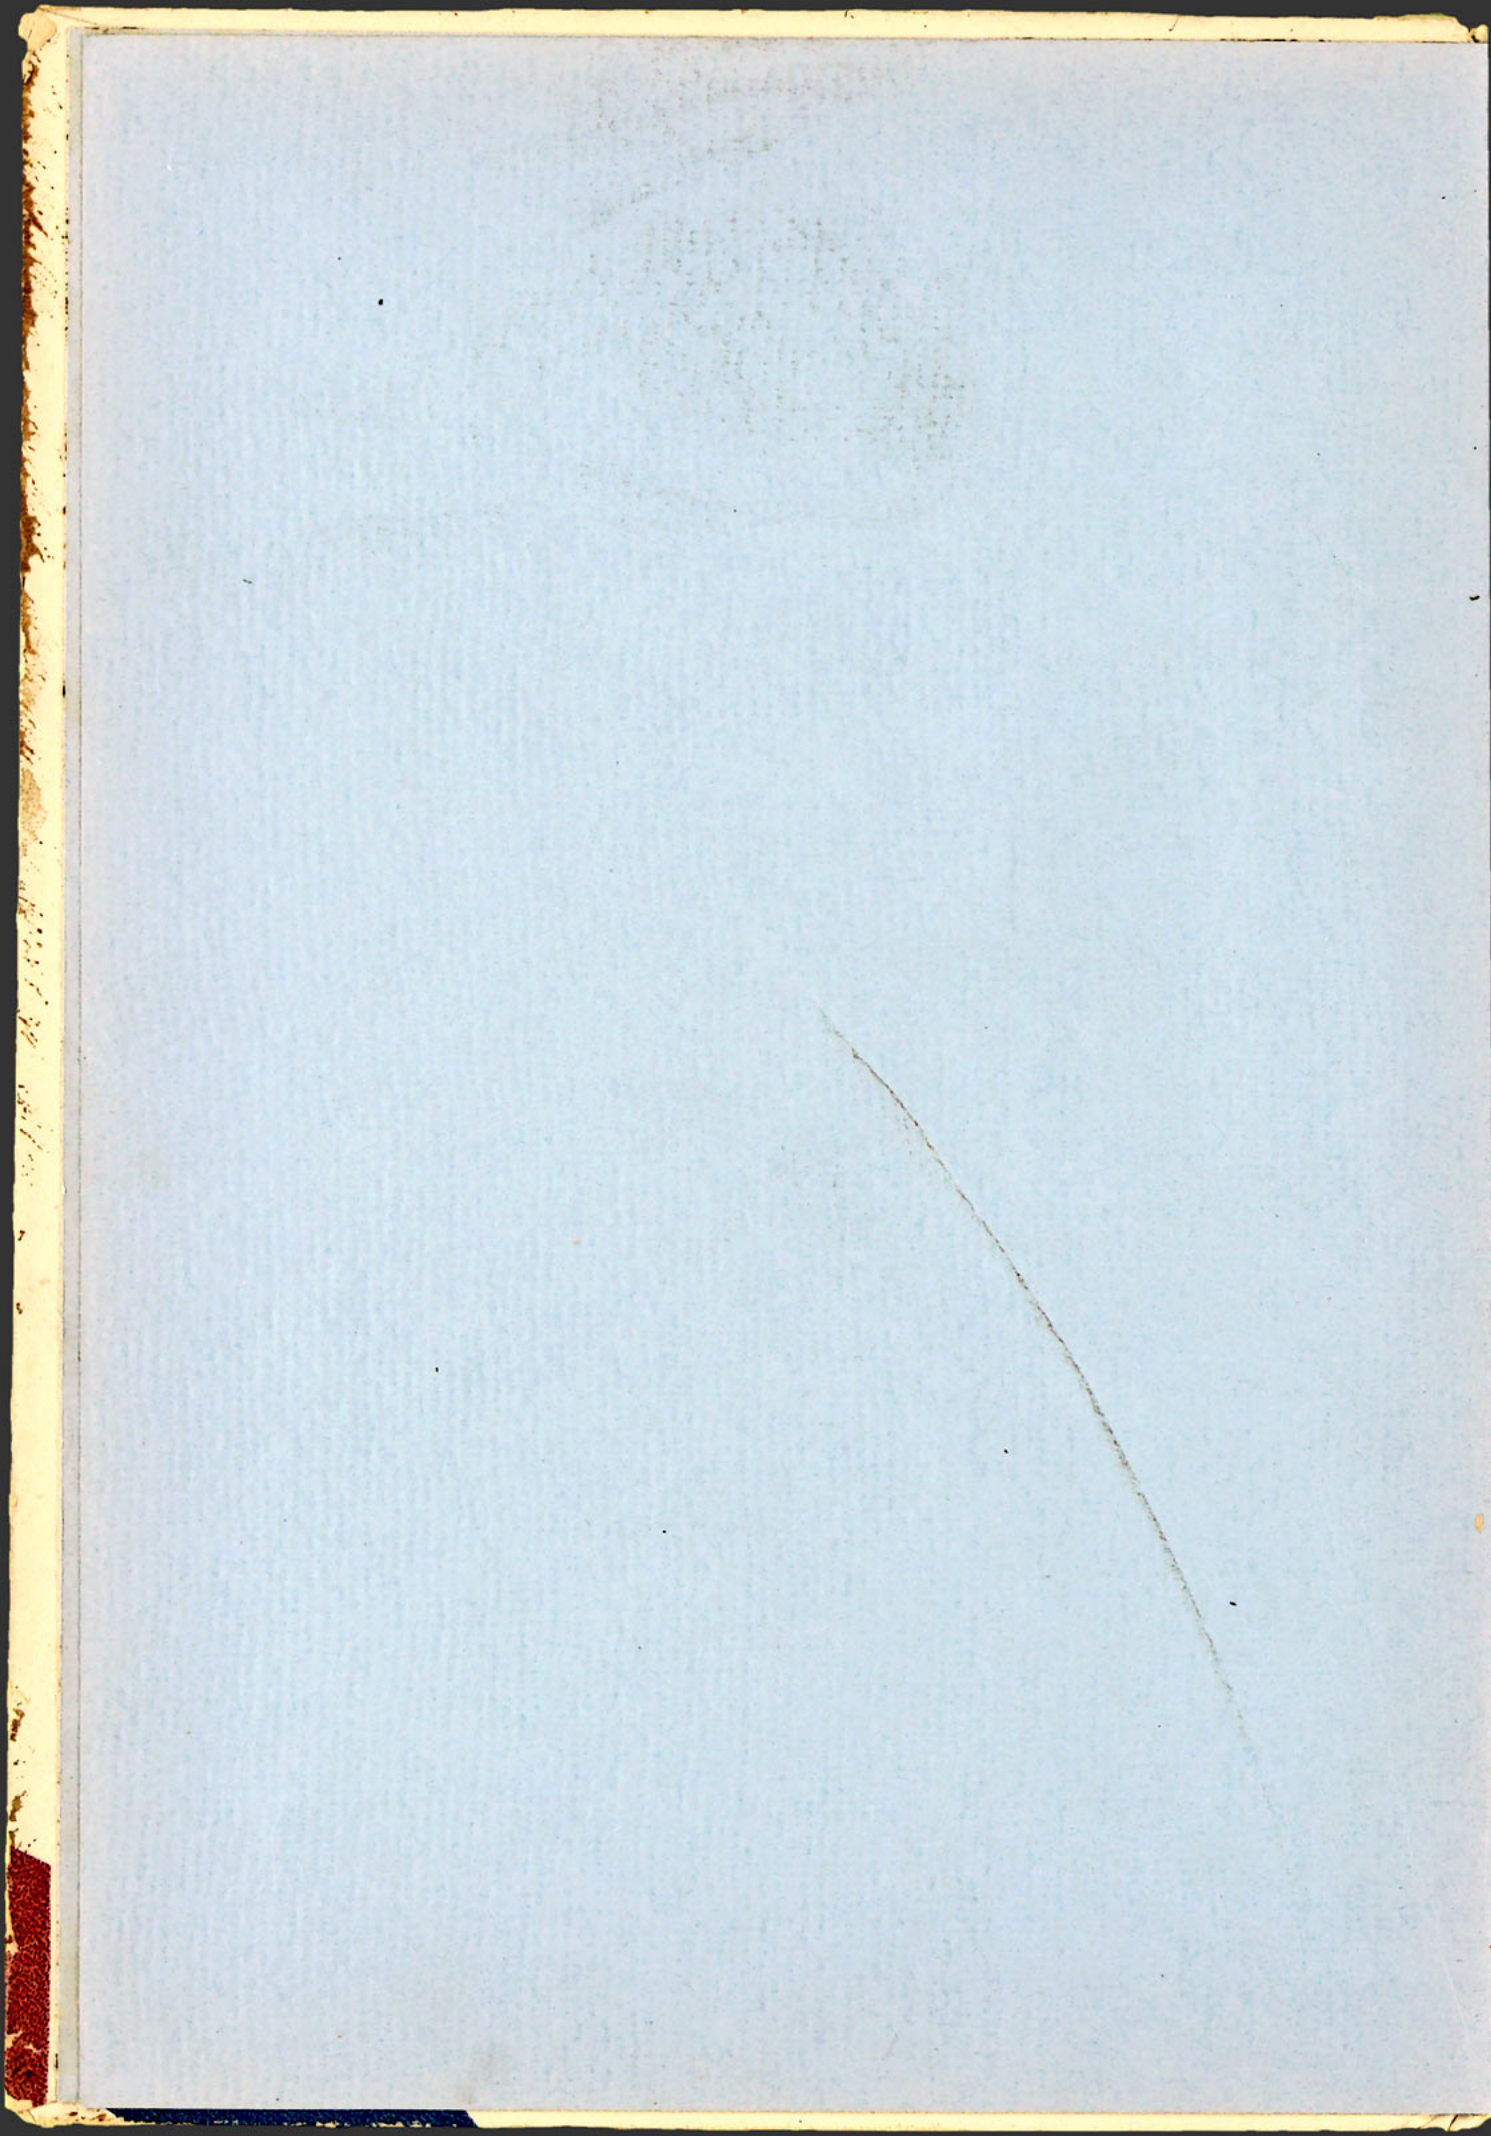

The death he died was not in vain;
For on the cross he bore our shame
That men, wherever they may be,
Might hear His call of "Follow Me."

Thus it was in God's own way
He chose a man who's gone today—
A man who knew and did the job
Our dean and teacher, "Uncle Bob."

And now as we his life recall,
We see that Christ was all in all;
The ray of *blue* of him does speak,
The daily walk that he did seek.

For he taught us day by day
That we should also walk God's way;
To live a life of separation,
And preach to every tongue and nation.

GALATIANS 5

2 Bear ye one another's burdens, and so fulfil the law of Christ.

3 For if a man think himself to be something, when he is nothing, he deceiveth himself.

4 But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in another.

5 For every man shall bear his own burden.

6 Let him that is taught in the word communicate unto him that teacheth in all good things.

7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

8 For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

9 And let us not be weary in well doing: for in due season we shall reap, if we faint not.

10 As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.

Of well doing. Blessings in Christ.

11 Ye see how large a letter I have written unto you with mine own hand.

12 As many as desire to make a full show in the flesh, may constrain you to be circumcised; only lest they should suffer persecution for the cross of Christ.

13 For neither they themselves who are circumcised keep the law; but desire to have you circumcised, that they may glory in your flesh.

14 But God forbid that I should glory, save in the cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world.

15 For in Christ Jesus neither circumcision availeth any thing, nor uncircumcision, but a new creature.

16 And as many as walk according to this rule, peace be on them, and mercy, and upon the God of Israel.

17 From henceforth let no man trouble me; for I bear in my body the marks of the Lord Jesus.

18 Brethren, the grace of our Lord Jesus Christ be with your spirit. Amen.

2 Note the Galatians warned from Rome.

THE EPISTLE OF PAUL THE APOSTLE TO THE EPHESIANS

CHAPTER 1

PAUL, an apostle of Jesus Christ by the will of God, to the saints which are at Ephesus, and to the faithful in Christ Jesus:

2 Grace be to you, and peace, from God our Father, and from the Lord Jesus Christ.

3 Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:

4 According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love.

5 Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will.

6 To the praise of the glory of his grace, wherein he hath made us accepted in the love.

7 In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace.

8 Wherein he hath abounded toward us in all wisdom and prudence.

9 Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself.

10 That in the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him.

11 In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will:

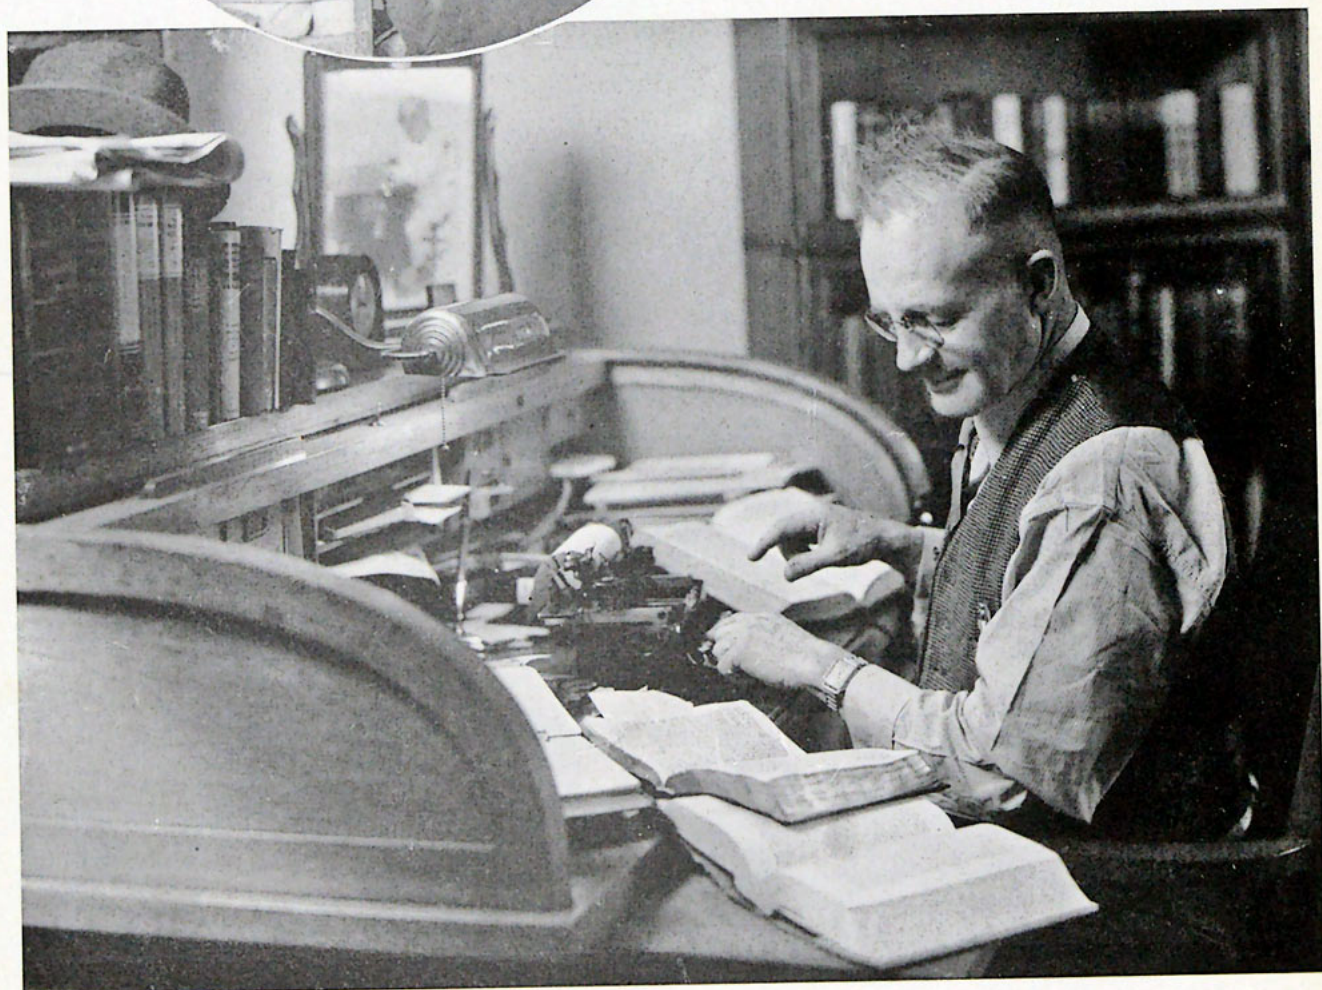

12 That we should be to the praise of his glory, who first trusted in Christ.

13 In whom ye also trusted, after that ye heard the word of truth, the gospel of your salvation; in whom also, after that

DEDICATED to the MEMORY of DR. ROBERT L. MOYER

We shall always cherish in our hearts the memory of our beloved Dean, Dr. Robert L. Moyer, never forgetting his ardent love for the Word, his concentrated study of the Word, and his compassionate fervency in preaching the Word.

He loved the Word of God with a sincere devotion and unfailing faithfulness. His life exemplified the truth of Paul's statement, "For I am not ashamed of the Gospel of Christ; for it is the power of God unto salvation." Dr. Moyer's prayer was that all men might believe the truth of John 3:36, "He that believeth on the Son hath everlasting life."

He studied the Word daily "to see if these things be so." His study was thorough and exact and many were his Bibles, the covers of which became threadbare and faded. Indeed he practiced what he preached when he taught us to "study to show thyself approved unto God."

He preached the Word "in season and out of season." Daily it was our delight to listen to him confidently expound the glorious truths of the Bible. In consequence of his steadfastness for sound doctrine, our spiritual lives were strengthened and established in the faith. The hours of inspiration we experienced in his classrooms deeply stirred us to yield ourselves unrelentlessly to Christ.

We seniors feel particularly privileged to have been in Dr. Moyer's classes during his last year. The alumni may have enjoyed his teaching a year longer, but it was our privilege to have had the benefit of the last fruits of his ministry. May God grant to us, his students, a like desire to love, to study, and to preach the Word. We shall always cherish the memory of these words from one of his last sermons:

"I love my ministry, but I would rather depart to be with my Master. I love my service, but I would rather depart and be with Christ which is far better. I love my ministry, but I would rather depart to be with my Savior. I love you, sheep of God, but I would rather depart to be with the shepherd of us all." So Dr. Moyer passed "through the shadow into the sunshine, through the blackness into the brightness, through the darkness into the daylight, through the gloom into the glory, through the twilight, the evening star, and the dark, into God's tomorrow."

OUR NEW COLLEGE

President W. B. Riley

THE establishment of a new college is no child's play. The creation, then, of THE NORTHWESTERN COLLEGE in connection with the Northwestern Bible and Missionary Training School and the Northwestern Theological Seminary, calls for explanation. In this day of multiplied educational institutions, why another?

ITS OCCASION

The public seems to demand it.

Between Wheaton, Chicago, and the North Pacific Coast, there is not one four-year college committed in doctrine and practices to the absolute fundamentals of the Christian faith, in the sense in which Wheaton is committed. It is well known that such institutions as Wheaton, Bob Jones College and others that have made an absolute stand for all the fundamentals of the Christian faith, including the premillennial return of the Lord, are overcrowded. There are more students applying for admission than can possibly be accepted by them and since this great territory of the Northwest holds such a multitude of orthodox Christians, Minneapolis seemed the natural place for the creation and location of another.

The local possibilities favor it.

We have a number of professedly Christian four-year colleges in this vicinity, but, unfortunately, they are either openly modernistic in their teaching or have a mixed faculty—theologically speaking. THE NORTHWESTERN COLLEGE will tolerate nothing of liberalism. It proposes to stand foursquare for the "faith once delivered," including the inspiration of the Scripture, the deity of Christ, the blood atonement, the physical resurrection and ascension, and the second coming. Its Christian conduct also shall comport with its doctrinal views. We covet no others as students of this institution than ardent believers in Christ. We have no desire whatever to educate the unregenerate. There are plenty of schools provided for them, and we count our task a divinely prescribed one.

ITS OPENING

On September 22, 1944, we enrolled twenty-six in the first class.

This is an excellent opening for a new college in this day of multiplied and established schools. It is nearly four times as large as was the first class in the Northwestern Bible and Missionary Training School, a school which, with its theological department, grew in forty years to an attendance of 1,233 in all departments. With this much larger enrollment for the first year, in forty years Northwestern College will enroll a few thousand. In this expectation we view with encouragement God's own method of working. From the tiny acorn He brings into being the enormous oak with all its spreading branches, but He uses time in the process. Should He speedily appear, His very presence would, we believe, vastly accentuate and increase such schools.

ITS PROGRAM

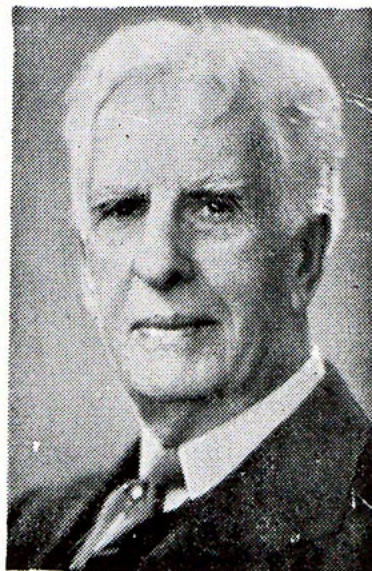

It taught only Freshmen the first year.

Next year Sophomores will be added; the year after, Juniors; and in the fourth year we plan a full four-year course and will be graduating our first enrollment. Competent educators are diligently at work on the four-year curriculum.

It will, of course, seek accreditation.

Northwestern Bible and Missionary Training School and Northwestern Theological Seminary are known to have a strong faculty, and our standing is increasingly high among schools of kindred order. The present faculty in the College are not only all university products, but those that will be added from time to time will bring to the school such academic degrees as will aid in accreditation.

Our great present problem is not new students for any feature of our threefold work. It is, instead, necessary buildings. With our present six buildings including the recent purchase and with the plans for the speedy construction of two more when the War Production Board gives the green light, and the careful investigation for purchases of other possible properties about the east end of our beautiful Loring Park, the prospects for the three Northwestern schools were never so bright as now. Correspondence indicates an avalanche of students for next autumn.

We, the Seniors of 1945, earnestly desire to be "co-laborers together with God" in the foreign harvest fields. We are not "ashamed of the testimony of the Lord," but are willing to be "partakers of the afflictions of the Gospel," for God "hath saved us and called us with a holy calling" (II Timothy 1:8, 9).

"Being knit together in love," we have interceded much at the throne of grace that each one "might be filled with the knowledge of His will . . . and walk worthy of the Lord" (Colossians 1:9-11). God has mercifully answered our prayers.

Christ has been our all in all—our joy, our strength, our comfort, our peace—a "Friend that sticketh closer than a brother." What a wonderful Savior we have; for He has never failed us. Great is His faithfulness!

We Seniors loved Dr. Moyer; for the love of God was richly manifested in his life. He testified, "Christ is in the bosom of the Father. The bosom is the place where the heart throbs. When Christ came into the world, He came to make known the throbbing, loving heart of God."

Dr. Moyer's great hope and expectation is expressed in his words, "One of the most wonderful thoughts on the enthronement and exaltation of Christ is that we are seated in the heavenly places and we, too, are expecting the glad day of His return. Then, and not until then, will righteousness and peace cover the earth as waters cover the deep.

'Even so, come Lord Jesus.'"

His faith and trust in Christ is revealed in his statements: "Because He is in you, He is always with you in every extremity of life. 'Yea, though I walk through the valley of the shadow of death. . . Thou art with me.'"

"Whose Faith Follow"

A tribute to the memory of Robert L. Moyer, D.D.

by Curtis B. Akenson

*"Remember them . . . who have spoken unto you the Word of God:
whose faith follow. . . ." (Hebrews 13:7)*

When he met socially with friends, he preferred the conversation to center in the things of the Lord; when he preached, his message was filled with Scripture; when he wrote, his theme was Christ; when he taught, his subject was the Bible. These well-known facts permit the statement that personal eulogy would not only embarrass but grieve him. Inappropriate it would seem, then, to couch his tribute in language other than a paean of praise to the One he loved, and a plea for obedience to the Word he lived! Our esteem for him voiced, thus, in terms of God's truth, makes it righteously possible to say "Whose faith follow" in a manner that would suit the spirit of Northwestern's "Uncle Bob." "Whose faith follow" because. . . .

His assurance of salvation made him a new creature in Christ Jesus. He never, for a moment, doubted that what the Bible says about sin and salvation is absolutely true. On this point, his theology centered primarily in a date—May 13, 1912—and in a text—John 3:14, 15. A few friends knew that he was born in Montgomery, Pennsylvania, January 17, 1886. Thousands heard his oft-expressed gratitude for his godly mother and her long years of prayer for him. All who knew him agree that the marks of God's favor upon his ministry were numerous. But none of these things was ever any part of his confidence that he was the recipient of the gift of eternal life. May 13, 1912, was the date on which he heard that "As Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: that whosoever believeth in Him should not perish, but have everlasting life." On that he rested; about that he preached; into that truth he delighted to lead others. "Whose faith follow!"

His simplicity of trust kept him loyal to God's Word. Through the years, by very ruggedness of spirit he overcame the frailty of his body, and kept his eyes singled to the task of being a man of one Book. Where the Scripture spoke, his utterance was clear, simple, and uncompromising; but he feared to speak "above what is written." His final labors fit the pattern of this life purpose. The last message published in **THE PILOT** prior to his death was on the text, "I shall dwell in the house of the Lord forever." The last sermon he preached was an evangelistic message upon the topic, "What We Carry Beyond the Grave." With his last strength, as with all his days, he loyally proclaimed the grace of God. The Word that is forever settled in heaven was thoroughly established in his heart. "Whose faith follow!"

His certainty of triumph has taken him to be at home with the Lord. Unwaveringly he believed that "yet a little while and He that shall come will come." With that undergirding hope, he saw in death an enemy robbed of power. "Valley of the shadow," "asleep . . .," and "absent from the body—at home with the Lord" were the terms in which he taught and comforted others. Toward the end, as he realized that the shadow cast by the sunset of earth's day was near, in his heart there still shone brightly the truth that he has written indelibly in the memories of those who attended his teaching ministry: "Death may come. The Lord will come." But he would want the closing word to be from God's Word. May our Heavenly Father strengthen and keep our hearts in the triumph that was his: "To me to live is Christ and to die is gain." "Whose faith follow!"

ANNUAL BANQUET

The banquet is the main social event of the year in which the whole student body participates. Due to war-time restrictions, the 1944 banquet was held in the dining room of our own beloved Jackson Hall. The underclassmen did excellent work in converting this room into a delightful rose garden. The program was of a semi-formal character with "Radio" as its theme.

The main feature of each banquet is the presentation of *THE SCROLL*. The book is being presented by Leon Christiansen, the editor, to Dr. Riley.

One of the "old stand-bys" at the annual banquet has been the ever-popular "Rivers of Life Quartet" which our dear "Uncle Bob" instituted many years ago. Regardless of other changes, he was always its "basso profundo."

MEDICINE LAKE

Annual Picnic

*No picnic complete without rain
and lunch*

A real sport's fan

Sometimes during the last month of school several hundred students, together with the faculty, pile into cars and wend their way to beautiful Medicine Lake, a few miles out of Minneapolis.

The day is filled with games of kittenball, volley ball, and tennis, plus excursions into the woods. Then comes the picnic lunch which is followed by a time of fellowship around a campfire. All in all, regardless of weather, we have a great time together—and it usually rains.

Annual Conference

The Northwestern Bible Conference affords a time of spiritual refreshments for students, faculty, alumni, and friends of Northwestern. Hundreds of decisions are made for the Lord Jesus there, and many Christians are drawn nearer to Him.

The selection of speakers is of the best with such men as Harry Rimmer, Dan Gilbert, Mervin Rosell, and many others.

The Bible Study hours by our beloved "Uncle Bob" were a special favorite with everyone. His memory shall live there always.

Youth Chapel

SOCIALLY INCLINED

Among the most enjoyable times for students are the moments of fellowship and relaxation. Northwesterners are by no means unsociable, and many are the parties, hikes, and fellowships they enjoy.

SERVICE

"When our Lord declared that the gospel was to be preached to every creature, He meant to every creature in every generation during His absence."

—Dr. R. L. Moyer

Our Director Directs

We are learning new truths daily, and we want to keep them that we may use them to the blessing of others; therefore, we "give them away," as Dr. Moyer suggested. It is the blessed privilege of many of the students to go out into various neighborhoods of Minneapolis to teach the little children.

CHILD EVANGELISM

Child Evangelism Class

Each spring we have a rally

"If you want to keep a truth, give it away."
—Dr. R. L. Moyer

DAILY VACATION BIBLE SCHOOL

The summer Vacation Bible School movement approaches a new high as it faces the opportunities of the coming year. It gains momentum from two great sources, namely: a rich and glorious past and a momentous present. The Northwestern Bible School, which pioneered in this field, has witnessed a steady growth from the thirty students who went forth into the field in 1924 to the more than two hundred thirty students who were engaged in this same work in 1944, and who contacted approximately nine thousand boys and girls, bringing more than 1,150 to a personal acceptance of Christ as their Savior. Besides the impetus which this movement has gained over the years, it has in its favor a current revival in the field of child evangelism. Many pastors and missionaries have already requested help for the summer just ahead. Surely "a great door and effectual is opened unto us," but "there are many adversaries." Not the least of these is the lust for money-making and the spirit of sidestepping responsibilities, which characterizes our day. But we are not of this world and with the light of heaven in our hearts and on our faces we shall go forth again for Christ.—*Leroy Gager.*

"Go ye into all the world."

"I'm in the King's Army."

Northwesterners find great joy in the opportunities they have in the surrounding states of telling forth the gospel to our coming generation and of seeing the little ones step "out of darkness into His marvelous light."

D.V.B.S., D.V.B.S.,

We broadcast the Gospel of God's righteousness,
Christ died on Calvary to save and to bless;
This is the message of D.V.B.S.

YE SHALL BE MY WITNESSES

Many are the ways in which the Gospel is presented by Northwestern students. Here is a sample of the young men and women sent out in the numerous places witnessing for Christ.

The Mountain Lake Northwesterns have experienced the joy of working together for the salvation of souls.

The Peterson trio is just one of the many musical groups organized here in Northwestern.

Young men are sent out by the practical work director, Leroy Gager, to preach the "unsearchable riches of Christ."

Student Pastors

RADIO

Global Gospelairees

In these days when radio officials want to bar all religious broadcasts, Northwestern has not only remained on the air, but is pioneering in new methods of "Holding forth the Word of Life." Besides our regular broadcast on W.T.C.N. at 10:15 P.M. Saturday nights, our newest project is the five-minute radio "spots" presenting the gospel in streamlined fashion to reach more and more of the great secular audience.

"Holding Forth the Word of Life"

WORD OF LIFE LINES

"You cannot commit a single sin that does not mean the breaking of the Holy Law that our Holy God gave at the Holy Mount."

"We need the character the Word demands, the truth it teaches, the spirit it breathes, the life it reveals, the portion it promises, the person it pictures."

"That the Son of God loved us can never be questioned when we consider that He gave Himself out of pure love. He gave Himself into the hands of justice. He gave Himself to anguish, to shame, to death. He gave Himself up to judgment—the judgment which we deserve because of our sins. That love and sacrifice is the heart of the Bible."—*Dr. R. L. Moyer*

The Living Word for a dying world

"Only believe and live"

How lovable!

BRINGING THE GOSPEL TO EVERY RACE

Yes, Every One!

God loves the children of the world
Whether red, yellow, black, or white.
He is the Maker of them all;
Thus all are precious in His sight.

Because He loved the whole, wide world,
He gave His only begotten Son
That each who will believe in Him
Might be saved—Yes, every one.

Do you love the Negroes and Chinese?
Are the Japanese on your heart?
All must be told of Jesus Christ.
Are you willing to do your part?

—*Florence Kendall*

The Northwestern Bible School students serve while preparing to go forth into full-time service for their Lord. They not only learn the methods of soul-winning, preaching, teaching, conducting, singing, and playing musical instruments, but they also apply the knowledge which they have gained to practical purposes. Their aim is to win souls to Christ and to help them to grow in grace and knowledge of Him.

A phase of the work is represented here by a student teaching a class of mixed races.

THE PILOT

Each month the NORTHWESTERN PILOT is sent around the world to alumni, friends, and servicemen. Chaplains request it for hospital, libraries, USO centers, and their offices.

It is loved by children for its stories. It is loved by ministers for its outlines and sermons. It is loved by alumni for its news. It is loved by all who read it.

*Mrs. Hall and
Marjorie Holmstrom*

THE PILETTE

A paper published by the students and for the students. It gives the news flashes of student life and interests. It reports testimonies of the students and faculty. It announces sport flashes and the outcome of basketball games.

Journalism Class—taught by George Wilson

RUSSIAN

Dr. V. Vojta, Dean

"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not" (Jeremiah 33:33).

"Again I say unto you, that if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven" (Matthew 18:19).

My whole life was built upon faith and God's promises. If we take God at His Word, He cannot fail us because His promises are true. Miracles are not the story of yesterday, but they are the reality of today. I firmly believe that the Russian Department at Northwestern is a miracle of the present day and will amaze the world of tomorrow because missionaries from the Russian School are planning to invade Russia, not with the sword, but with the gospel of peace with its General-in-chief, Jesus Christ, the Savior. This is my belief based upon the Scriptures indicated above.—*Dr. Vaclav Vojta.*

We are grateful to God that our Russian Department is connected with Northwestern which is a missionary school throughout. There are many schools in America that are preparing missionaries for various mission fields, but Northwestern is the only school in the United States of America that will graduate missionaries for Russian mission work in June, 1945. The Russian Department has a unique course which includes Russian Grammar, Russian History, Russian Reading and Literature, Russian Missions, Russian Customs, and Bible subjects. The thirty students enrolled came from nine states. Present indications point to a greatly enlarged Russian Department in the fall. The staff includes Dr. Vaclav Vojta, Dean; Rev. G. P. Schroeder, teacher; Mr. Wasyl Kowalik, Choir Director; Miss Mildred Dunbar, Missionary; Misses Frances Barnick and Anne Osepchuk, secretaries.

Dr. Vojta and his students travel extensively visiting various churches and presenting the work of the Russian Department. This ministry is being blessed to such an extent that engagements are made several months in advance. Such contacts with Christian people have increased interest in the Russian mission field.

Frances Barnick and Dr. Vojta

Opening and Progress of Department

DEPARTMENT

"Dr. Vaclav Vojta is well known to me, both as a brother pastor and as a co-worker in the Northwestern Evangelical Seminary in which he is Dean of the Russian Department. He is a talented teacher and preacher. He is a native-born Russian and has a remarkable story concerning his conversion and education. He has an intensely interesting and challenging missionary message, and the program he presents with his Russian students is unique. We heartily commend him."—*Dr. R. L. Moyer*

MISSIONS

Returned missionaries have often discussed with us the need for similar medical information, and have cited many instances where human lives have been lost because of the lack of even elementary knowledge about the simpler medical problems. Others who have had some medical teaching testify to the fact that the relief they were able to give to the sick and suffering on their mission fields has won for them the love, confidence and respect of the natives, and has made it much easier for them to present the Gospel.

Testimonies From Present Students:

When we enrolled in the medical course, we did not anticipate that there would be so much in store for us. We had not expected that we would have the privilege of sitting at the feet of an outstanding group of instructors, each one of them being a specialist in his particular field; nor did we realize that the course would cover so thoroughly a wide field of which each phase is so vital to the foreign missionary. We thank God for this opportunity of real practical training.

—Mr. and Mrs. Elmer J. Dick

The medical course has given me a new slant on life; for it has helped me to improve my own health. Through practical experience I have learned that there is an unique joy and opportunity in doing little things as unto the Lord to make the suffering more comfortable.

May the Lord use the knowledge which I have gained in the medical course to win souls to Him!

COMMENCEMENT

We have again gathered in the Municipal Auditorium to see another class graduate from Northwestern. The graduates have prayed much for the Lord's guidance in their life work. Almost as soon as they remove their graduation robes, they will be scattered to the four corners of the earth to bring the news of salvation to those who have never heard.

MISSION PRAYER BAND

"I exhort, therefore, that, first of all, supplication, PRAYERS, intercessions, and giving of thanks, be made for all men" (I Timothy 2:1).

"Pray without ceasing." "In everything give thanks: for this is the will of God in Christ Jesus concerning you" (I Thessalonians 5:17, 18).

"Missionary annals are crowded with answers to prayer. In a moment of time the Loving Father translates the prayer of a trusting heart in America into miracles of His grace in China, India, and the islands of the sea. It is the high privilege of every child of God to be His instrument in this sublime ministry of prayer."

A WORLD IN NEED

"God so loved the world—all colors, all conditions, all circumstances, all climes, all castes, all classes, all characters, all companies—the world."—Dr. R. L. Moyer

A Christian nurse cares for children in a mission home. Had their parents cared for them, they would have been Mohammedans without hope or happiness.

Central Africa will come under Moslem domination unless it is evangelized for Christ. Every Mohammedan is a missionary for his religion. As traders travel among pagan tribes, they zealously propagate their false beliefs. The Moslem advance in Africa is perhaps the most difficult missionary problem confronting the Christian church.

In Memory of Mrs. Gordon Legg (Mary Jenks '30) who went home to heaven June 20, 1944, after serving the Lord under the South Africa General Mission.

Miss Lydia Jantz, '30, stands in the doorway of an African home while she witnesses to an African woman. Miss Jantz is at present on furlough, but will soon be returning, God willing, to continue her work for the Lord in Africa.

A PEOPLE IN NEED

The Orient

Buddhism is an Oriental religion embracing a following equal to the population of the United States, but influencing many more people. Buddhism teaches self-wrought righteousness. It is atheistic in precept, hopeless in expectancy, and the basis of many of our cults in America today.

An image of Buddha

"Christ's mission was a world mission."—Dr. R. L. Moyer.

A leper in India. There are between five and ten million lepers in the world.

Pagan people are constantly haunted by the fear of evil spirits. These spirits supposedly inhabit every object around them, and continually seek to torment them.

The Islands

Walter Cecil, who attended Northwestern in '41-'42, is now with the army serving in the Fiji Islands.

A great revival began in these Islands in 1845 with such power that sixty years later eighty per cent of the population attended public worship. Before the missionaries came, a man's social standing was determined by the number of humans he had eaten. The famous chief, RaUndreundre, had 872 such feasts to his credit.

A missionary is witnessing to a group of eager Cuban boys.

One-half of the four million Cubans are illiterate. The people are generally poor, but great opportunities exist for preaching the gospel.

A HEMISPHERE IN NEED

"God so loved the world! None excluded: all included. None omitted: none overlooked."

—Dr. R. L. Moyer

Alaska

Explorers and miners have risked their lives in Alaska to obtain gold and other earthly wealth, but far too few Christians have heeded the challenge of seeking souls which are much more precious to the Lord than gold is to the miner.

This totem pole represents the idol worship of the Alaskan natives. Today there are also other evils to combat. In some places, false teaching has led these people to worship pictures of Mary and the Christ-child rather than the Christ Himself. Then, too, the evils of our modern civilization have done much to destroy physical, mental, moral, and spiritual life among people here. The great hope of this land depends upon the salvation of the children.

South America

Northwestern has twenty-seven missionaries in five countries of South America. Three new missionaries are leaving for this country soon.

These children were born in an unevangelized section of South America. Many of these tribes live almost like brute animals and know nothing of a happy home or of love and devotion.

Our Homeland

Undoubtedly you are aware of the fact that many of our American Indians have been neglected. We have a great responsibility toward these many unsaved aborigines. Even in northern Minnesota there are 1,500 Chippewas without any ministration of the gospel.

Other racial and national groups in our nation are also in need of our Savior.

The children of America should be especially on our hearts. In the United States thirty-seven million of our young people are growing up without religious instruction.

ANSWERING THE NEED

India is calling Ruth Ihrig, while South America is calling Wynona Vanover. These young people, together with scores of other students, are willing to give their lives for the Lord Jesus Christ.

Leaving all to follow Him

O for a thousand tongues to sing
My great Redeemer's praise,
The glories of my God and King,
The triumphs of His grace.

My gracious Master and my God,
Assist me to proclaim,
To spread through all the earth abroad,
The honors of Thy name.

Once we see the fields and know His will, nothing else satisfies. Who can measure the "roundness" of joy that His will gives? 1 John 4:17.

—Wynona Vanover

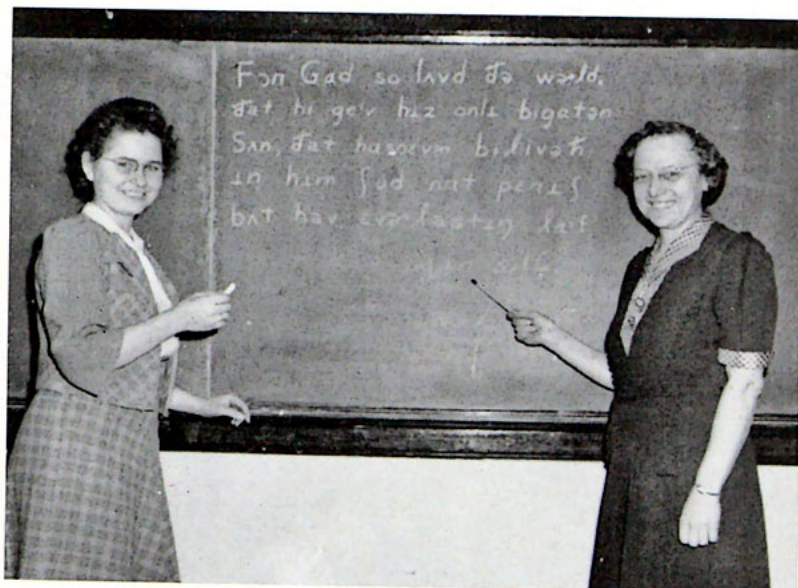

When the Lord saved me in 1939, He laid foreign missionary work on my heart. His leading has been step by step, but always definite and sure. I praise Him for the opportunity to serve Him, and by His Grace I shall present the Lord Jesus Christ to those who have yet to hear the glorious message of salvation. Philippians 1:20, 21.

—Ruth Ihrig

One hundred and thirty boys have left the halls of Northwestern to serve our country.

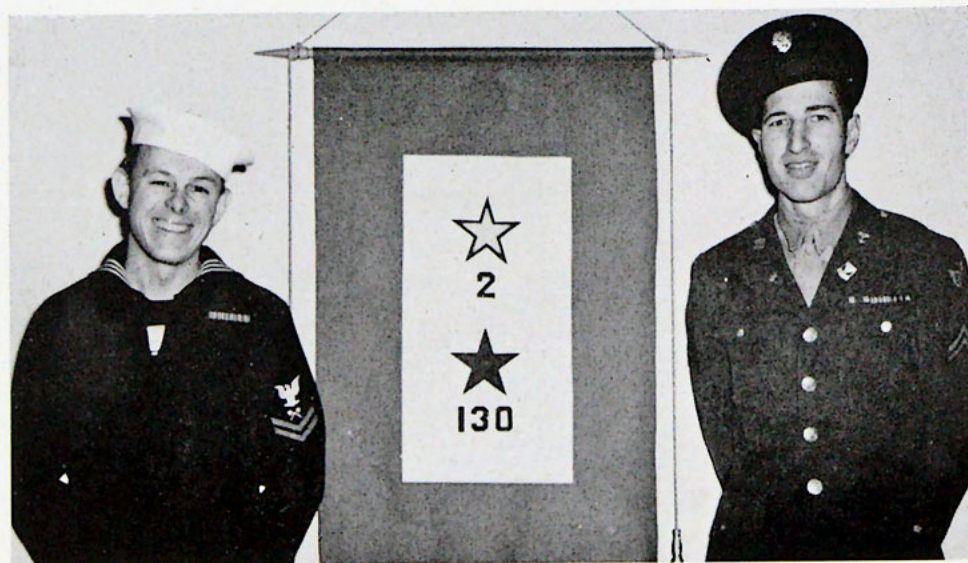

The two gold stars represent Meril Grey and David Youngdahl. Word has been received that a third star has turned to gold—Donald Anderson.

Captain Delbert Kuehl wrote on Dec. 6 from France:

"I just can't make myself believe that 'Uncle Bob' has left us; and that he won't be there when I get back. I loved him more than I can ever express. I learned to know my Savior more intimately as I sat at the feet of Dr. Moyer. He grounded my faith on the Rock Christ Jesus as he unfolded God's great Word. But even now our beloved teacher and pastor is among that great cloud of witnesses and seems to be even now encouraging us from heaven's glory toward greater service for our Lord. We shall greatly miss 'Uncle Bob,' but we do joy in the knowledge that he is now with the Lord he loved and served."

Rejoicing in His service,
Delbert

These have been in our country's service and are now back in school preparing for full-time service for the Lord. We are looking forward to the day when many more will join them.

Fall Opening 1945

The opening date for the next term will be September 18, 1945. If possible, applications should be sent to the school at least a month before the opening date, accompanied by a photograph of the applicant, and a list of credits from other educational institutions previously attended. The doctor's certificate and reports of all tests given by him are to be in the hands of the Registrar before the student may register.

For further information, for catalogs, and application blanks, write to the Registrar, 20 South 11th Street, Minneapolis 22, Minnesota.

For any examination not taken at the appointed hours, September 18—September 21, there will be a charge of \$1.00 each.

Any girl depending on the school for work in exchange for board and room should report not later than Wednesday morning, September 12, 1945. For the best opportunities report before that time. We cannot place students during the opening week of school.

Dormitory facilities are limited and varied. Get your reservation in early; each reservation must be accompanied by a \$5.00 deposit which will be applied toward the room rent, but will not be returned in case the room is not taken.

General Requirements

The Northwestern Schools provide an opportunity for training in three separate and distinct organizations: Bible and Missionary Training School, Theological Seminary, and Liberal Arts College. After a careful study of the courses offered, the candidate is asked to fill in completely the application blank, mailing the same to the school. The applicant should also send to those whom he is using as references, a reference blank together with a stamped envelope addressed to the school. To assure completion of the student's application in plenty of time for the scheduled enrollment, the same should be made at least one month in advance of the opening of school.

Each applicant is expected to meet the following requirements; he should be at least 17 years of age (exceptions may be made in the event a student has been graduated from high school before his seventeenth birthday); he will be expected to pass a physical examination given at the school at the time of his enrollment; he must have an approved character, a willingness to work, to be taught, criticized, and guided.

Students will not be given credit for work completed, if they enroll after the third week of school in any semester.

Past experience has proved that to accomplish the best work, a student should enroll at the beginning of the fall term rather than at the opening of the spring term. However, we have many spring registrations and they are accepted.

Detailed requirements for entrance into the individual schools will be found in their respective sections of this catalog.

Graduation Requirements

FOR BIBLE SCHOOL, THEOLOGICAL SEMINARY, COLLEGE

To be graduated from any of the three schools, a student must complete satisfactorily the requirements in the outlined course.

The amount of work pursued by a student is estimated in credit hours; the quality or grade of his work, in honor points.

A credit hour is one hour per week of recitation or lecture work extending through one semester. It is assumed that each credit hour will demand on the average one hour a week of the student's time for recitation or for lecture, and an hour in preparation. The preparation period may be longer for certain courses involving laboratory type work. Honor points are computed as follows: Each credit hour with the grade of A entitles the recipient to three honor points; each credit hour with the grade of B to two honor points; each credit hour with the grade of C to one honor point; each credit hour with the grade of D to no honor points. Illustration: A student completing a one-semester three-credit course and receiving the grade of A would be entitled to nine honor points; if receiving the grade of B to six honor points; if receiving the grade of C to three honor points; if receiving the grade of D to no honor points.

The requirement for graduation is an honor-point ratio of 1.0. The honor-point ratio is calculated by dividing the total number of honor points earned by the total number of credits earned.

Bible and Missionary Training School

The applicant for this school should have an approved Christian character. Inasmuch as we believe the Lord does call into His service those who have been denied the privilege of education and does use them in winning souls, no one who has felt the call will be refused admission because of lack of previous education. We advise, however, preliminary training at least to the extent of a high school education.

Although the courses are outlined so as to be completed in three years, it is usually advisable for those who have not been privileged to attend high school and for those who find it necessary to work more than the allotted hours—to take four years to complete the work.

An applicant should have an official transcript of his credits sent from schools previously attended.

If a student fails in three or more subjects in any one semester, his continuance in school will be at the discretion of the Scholarship Committee.

Satisfactory grades are required of all who are in the Choral Club, on the basketball teams, or participating in any extracurricular activity.

At least one year's resident work is necessary for graduation from the Bible School.

Courses of Study

The BIBLE COURSE is primarily for those who feel called to the ministry, or for those who want a thorough working knowledge of the Bible.

The MISSIONARY COURSE is for those who feel led of God to offer themselves for home or foreign missionary service.

The BIBLE-SECRETARIAL COURSE is for those who are preparing to be pastors' assistants and secretaries. No secretarial work will be given before the Junior year.

The BIBLE-MUSIC COURSE is arranged for those who feel called to serve in Christian work through the avenue of music.

The CHRISTIAN EDUCATION COURSE is offered for those who wish to serve in the field of Sunday School or Christian Education.

The RUSSIAN COURSE is presented for those who feel a definite call to missionary work among the Russian people, home or foreign.

N. B. With the exception of the Russian course, the work of the first year is the same in each course. This is done to enable the student to more intelligently choose the work in which he wishes to major.

ONE-YEAR COURSE. The first year of every course is so arranged that the student who wishes to take but one year receives an intensive preparation in the study of the Bible and related subjects. Should a one-year student decide to continue he may do so without loss of time or credits. This course is a great safeguard for a young person entering a college or university, where he is likely to be subjected to the erroneous teachings regarding the Word of God. It has exactly suited the need.

The courses outlined present the scope of work to be covered in the various departments. From time to time, however, there will be changes made in the work, and each student is expected to fulfill the requirements of the year in which he is registered; that is, when a student is a Junior, he will pursue the course outlined in the current Junior year regardless of the subjects listed at the time of his enrollment.

Theological Seminary

Resident Study

No student will receive any degree from the Northwestern Theological Seminary without spending at least one year in resident work. Furthermore, no degree will be conferred upon a student until his required work has been completed and all financial obligations paid.

Summer School

For information relative to Summer School, write Registrar.

Requirements for Degrees

The Northwestern Theological Seminary in its regular courses, offers Th.B., B.D., and B.R.E. degrees. Higher degrees belong to the graduate school of Theology.

Th.B.

The degree of Bachelor of Theology will be conferred upon those who have completed two years of study at a recognized college, and have completed the same amount of work as is indicated in the catalog for a B.D. degree. The requirements for the Thesis for this degree are the same as for the B.D. degree.

B.R.E.

The degree of B.R.E. will be conferred upon those who have completed two years of work at a recognized college. The course for this degree will be the same as for a B.D., except that the candidate will be required to take work in Religious Education instead of Hebrew. Requirements for the thesis are the same as for a B.D.

B.D.

The degree of B.D. will be conferred upon those candidates who have a B.A. from a recognized college or university, and who have completed the Seminary work as prescribed in the catalog for a B.D. degree. In addition to these seminary courses, the candidate must write a thesis of 10,000 words on a subject approved by the faculty under the leadership of the professor in whose field he takes his major. The outline for such a thesis must be presented to this professor not later than November 15 of the academic year in which the candidate plans to graduate. The thesis must be presented in typewritten form for approval not later than May 1, preceding graduation.

Graduate School of Theology

Master of Theology

The degree of Th.M. will be conferred upon those candidates who having brought to us an A.B. degree from a recognized liberal arts college or university, and a degree of B.D. from Northwestern or an accredited theological seminary, completes such work as is prescribed by Northwestern Seminary for a Th.M.

Resident Study

One year of resident study must be taken in Northwestern Theological Seminary. Courses of study are outlined in the catalog for a Th.M. degree. Each student will select his major and minor to be approved by the graduate faculty. High scholastic averages must be maintained throughout the course.

Thesis

A satisfactory thesis of no less than 20,000 words must be written. Such a thesis must show the ability of the candidate in research work. The outstanding field of study will be selected in major and minor courses, and approved by the graduate faculty. The thesis must show the literary ability, originality, and scholastic achievement of the candidate. The professor in the field in which the candidate takes his major will be the adviser of the candidate under whose direction the work will be done, and the professor will be informed about the progress of the work on the thesis. The outline for the thesis must be submitted by November 1 of the first semester of study, and three copies of the thesis must be handed to the graduate committee not later than April 15. Every candidate must defend his thesis before the graduate faculty.

The time of the oral and written examination will be announced before May 1. If the committee approves the work of the candidate, and if he passes the final examination satisfactorily, the candidate will be recommended for the degree of Th.M.

M.R.E.

The degree of Master of Religious Education will be conferred upon those who, bringing to us an A.B. degree from a recognized college, and a B.R.E. from the Northwestern Theological Seminary or other accredited Theological institution, complete such work as is prescribed by us for an M.R.E. The work for this degree is the same as outlined for Th.M. with the exception that the candidate does not take Greek. In place of this he may choose from electives a sufficient number of credits required for a Th.M.; that is, 32 credits, and he should major in Religious Education. Electives for Religious Education will be provided for these degrees.

Electives

- (1) New Testament Literature
- (2) Old Testament Literature
- (3) Seminar Courses in Theology—American Theology, Lutheran Theology, Calvinistic Theology
- (4) History
- (5) Religious Education

Degree of Doctor of Theology

Entrance Requirements

A candidate for Th.D. must send his application to the Graduate Committee before he will be enrolled for this degree. This committee will determine whether the candidate will be admitted to the Graduate School of Theology. The course of study for the degree will be prescribed and approved by the faculty. Only students with superior ability will be admitted into the graduate school of Theology.

Prerequisite Requirements

A candidate must have a B.A. degree or its equivalent from a recognized college or university. In addition to a B.A., a candidate must have a Th.M. from this institution or a corresponding degree from some other recognized seminary, provided that this degree will include a working knowledge of the Greek and Hebrew languages.

Besides the Greek and Hebrew languages, a candidate should have a working knowledge of the language that will be required for his major. This language may be Spanish, French, Latin, or German, or some other language that will be acceptable to the faculty.

Every candidate should present satisfactory evidence from the schools from which he has been graduated that he possesses scholarly ability for graduate work. Every applicant must have an average of 90 in his Master's degree in order to be admitted for Th.D.

Resident Requirements

A candidate must spend two semesters in the school classrooms. The work will be assigned by the faculty under the leadership of the professors with whom he takes his major and minor work. Beside the resident study, the candidate will do his research work in writing a thesis.

Thesis Requirements

A thesis of no less than 45,000 words must be written by the candidate in the field that will be chosen by him and approved by the faculty. The outline must be submitted to the Professor in whose department he takes his major, six weeks after enrollment. The candidate must keep his professor or adviser informed of the progress of his work. Such thesis should be worthy of its publication. Three copies must be handed to the Committee of Graduation not later than April 1.

Final Examination

A final examination shall be given to the candidate at the end of his graduate year. The examination will be oral and written, conducted by the professor in whose department he has taken his major, assisted by the professor in whose department he takes his minor, and by other members of the faculty who may be asked to participate. Such examination will include a review of major and minor subjects, and also of the field of study for the thesis. The candidate must be prepared to defend his thesis before the graduate faculty. Written examinations will be given by professors under whose leadership the major and minor work was done. All the other details will be arranged by the committee on graduation.

Northwestern College

An applicant for College entrance should be a graduate of an accredited high school. Students of maturity who have not completed their high school work may upon approval of the Scholarship Committee, enroll in the college after successfully passing the entrance examinations. If such a student meets the educational requirements for the first year, he may continue his college work. After successful completion of the courses prescribed, he will receive the regular degree.

The college curriculum leads to the Liberal Arts degrees and at the same time permits the student to enjoy the Christian fellowship found in the three schools.

In addition to the regular secular studies, students are required to take prescribed courses in the English Bible.

The course of study has been carefully outlined for the first two years, and is presented herein. The work in the Junior and Senior years depends on the field in which the student takes his major. Majors will be available in Bible, English, History, Philosophy, and Christian Education.

ARE YOU A HYPOCRITE?

No knowledge is of any worth to a
preacher unless he first knows this:
"Ye shall know that I am in my Father
and ye in me, and I in you."

John 14:20.

Know this, or you enter the Ministry
a hypocrite. Don't be a hypocrite!
Get alone in prayer until Christ fulfills
this promise to you. Then and then
only you will be a genuine minister
of Christ.

THE BIBLE CLUB MOVEMENT

This movement, brought into being by the Lord Jesus Christ, was organized 8 years ago for the purpose of giving the Gospel of Christ to children, young people, and adults, and bringing them to know and love Him as their personal Saviour and Lord. Bible courses are taught in the Clubs and Scriptural awards are given free for memorizing designated portions of the Bible.

The entire movement, now operating in over 36 states, Canada, Bermuda, and Cuba, is a venture of faith, trusting the Lord alone to supply every need. Would you reach lost souls for Christ? Why not organize a Bible Club?

The Foundation Agreement of Hardin-Simmons University sets forth the objectives: To bring young men and women to Christ; To teach them Christ; To train them for Christ. During past years scores of graduates of Northwestern Theological Seminary working to add Bachelor of Arts or Master of Arts degrees to their professional training have turned toward Hardin-Simmons. We never have had an unworthy student from Northwestern Theological Seminary. We cordially invite other graduates to come our way.
